Thanks to the generous participation of our members, we are producing a remarkable amount of quilts for our veterans. We would like to thank everyone who is doing her share, whether you are sewing at home or at the workshop, whether you are sewing stars, sewing strips, assembling tops, making pillow cases, binding, longarm quilting, etc..... Every little bit helps.

Bring your sewing machine with basic accessories, thread, and lunch. Precut kits/fabrics will be provided.

For those unable to attend the workshops, prepared kits are available to pick up at the workshops and guild meetings.

**LONGARMERS:** We are in desperate need of longarmers for our QOV program. If you own a quilting machine, we will provide the batting for our tops. A simple all-over quilt design is sufficient.

A huge **THANK YOU** for your participation.

The panel measures 24" x 44"; the butterflies measure approximately 3 ¼" wide and the larger flowers are about 1 ½" wide. From the Fantasia collection designed by Chong-A Hwang for Timeless Treasures.

**Posted by the Modern Quilt Guild:**

The **Orlando Modern Quilt Guild** is collecting quilts and blocks for the victims of the shooting at Pulse nightclub on June 12, and MQG members around the world are invited to participate. The goal is to gather enough quilts to help not only the victims who survived, but the families of victims who perished, as well as first responders, nurses, police officers, etc.

The Orlando MQG is asking for a minimum of 102 quilts — one for each survivor, and one for the families of each victim who perished. Any quilts that surpass that number will be given to first responders, and then distributed to the LGBT community in Orlando via organizations like [The Center](#) and [Zebra Coalition](#).

Rainbow hearts are the design theme, and members are asked to submit either finished quilts (strongly encouraged) or 10-inch blocks with at least one heart. See the gallery below for block and quilt ideas, or visit our [Pinterest board](#) for more inspiration. You can also use [this tutorial for a 10-inch heart block by Cluck Cluck Sew](#) (or this [paper piecing version](#) by Elizabeth Dackson).

If you're part of a guild, we encourage you to sign up as a whole guild and coordinate locally to make a finished quilt (or quilts). This will help ease the strain on Orlando MQG members. They're asking for quilts larger than 48" x 60" but no larger than a twin. The Orlando MQG is also accepting quilt tops, binding and backings.

**BOOK REVIEW:**

**Super Simple Squares - Creative Uses For 6 1/2 inch Squares**

By Linda Milligan - Nancy Smith

I am always looking for quilt patterns using 5" charm packs. They are easy to use and interesting to buy, but I usually cut scraps and leftovers into larger square units, so I don't waste fabric and have options later on. This book has many great quilt patterns to choose. Besides, there are many lay outs, good directions, and clear photographs. There is an assortment of applique patterns and an already revised alphabet ready to use. After reading this book, I feel comfortable trying some patterns with my charm packs.
