Don't forget our

2016 MINIATURE QUILT CHALLENGE

Deadline extended to June

We've had mug rugs, and we've had a tea towel challenge. For 2016, our challenge will be **Mini Quilts**.

According to AQS, quilts should be no bigger than 24" x 24" with all aspects of the quilt reduced in scale.

Traditional piecing, hexies, applique, or embroidery are all acceptable techniques for your mini quilts. Everything must be in a smaller size.

Places to look for ideas, tips, tricks, etc. are www.hubpages.com/art/Miniature-Quilts, google miniature quilts, or look for miniature quilts on Pinterest.

Our completed miniature quilts will be viewed during our guild meet-
ing on June 14th.

Happy Quilting!

∴ quilt of valor ∴

Thanks to the generous participation of our members, we are producing a remarkable amount of quilts for our veterans. We would like to thank everyone who is doing her share, whether you are sewing at home or at the workshop, whether you are sewing stars, sewing strips, assembling tops, making pillow cases, binding, longarm quilting, etc..... Every little bit helps.

Bring your sewing machine with basic accessories, thread, and lunch. Precut kits/fabrics will be provided.

For those unable to attend the workshops, prepared kits are available to pick up at the workshops and guild meetings.

LONGARMERS: We are in desperate need of longarmers for our QOV program. If you own a quilting machine, we will provide the batting for our tops. A simple all-over quilt design is sufficient.

A huge **THANK YOU** for your participation.

BOOK REVIEW:

10-20-30 Minutes to Quilt By Nancy Zeiman

I have often heard so many of my quilting buddies complain they don't have time to start on work on big projects. Sewing and/or quilting can be a daunting task, but if the right tactics can be used maybe we can accomplish a bit more and have some fun. From my observation, quilting is about fun. Nancy Zeiman is a practical person. She shows us how we can use our time well, even if its in small bits. She has many interesting and doable projects using simple techniques, available materials, and good results. Although this is not her latest book, it offers instructions for working with fabric panels, fleece, photographs, and uncomplicated patch work. She has suggestions for gifts, décor, and holidays. Included are all the basics of quilting and sewing a novice might need. This book answers many of our current questions.

Gold Coast has offered members of Quilt Guild by the Sea spaces in Dorothy McDonnell's upcoming portrait workshop. The description is as follows: a raw-edge appliqué quilt taught by Dorothy McDonnell.

Create a portrait pattern using Amy Bradley's "Quilter's Yearbook" (a digital pattern) or use a yearbook pattern drawn by Dorothy. Use the pattern to make a raw-edge appliqué quilt. Learn how to quilt it with feed dogs up or down. Purchase of the 35 page "Quilter's Yearbook" pattern is required - \$5 for the digital file or \$10 for a paper copy.

We need to get confirmation of the non-member fee of \$30.00. There is also a pattern charge that I need to remit to Amy Bradley - \$5 for digital file and \$10 for paper copy. The pattern is 36 pages long.
