

# QUILT GUILD BY THE SEA NEWSLETTER

February 2022

VOLUME 12, ISSUE 2

February 8, 2022

## Guild Meeting

Program: "How your Machine May be Working Against Your Accurate Piecing" by Bernie & Shelley Tobesch

- Hotseat Poker

## Guild Address:

Quilt Guild by the Sea  
PO Box 64  
Boca Raton, FL 33429

## Meeting Place: Zoom until further notice

## VOLUNTEERS NEEDED:

The following positions are open and we need help:

- Newsletter Assistant
- Photographer, for in-person meetings only, is needed. No experience necessary.

## President Letter:

One of the duties of the Guild president is to write the monthly President's Letter. My problem is: I never know how to start. Do I say, "Dear Guild Members"? That sounds too formal for me. Or "Hey Y'all"? No, too Southern. "My Fellow Quilters"? No, too much like a Politian. I spend hours not knowing how to begin. So, I am throwing the door open for salutation suggestions. Just shoot me an email or text with your suggestions, and I'll use one each month. Problem solved. Oh, if only everything were that easy!

I have great news! We now have a Program Chair but instead of one, we have two! Ellen Heimlich and Frieda Toback have volunteered to co-chair this position. I really am happy and excited to welcome them. I know they will be an asset to the board and the guild. I look forward to working with them and to the upcoming programs and workshops they will find for us. Thank you both.

Thank you to Sheryl Platt for your untiring and generous work as Program Chair for over 2 years. Your programs have been wonderful, educational, and inspiring. Sheryl has also compiled a reference book, and guidelines for future Program Chairs; this will be an invaluable asset to us. Sheryl, thank you, thank you thank you.

Unfortunately, we are still in the clutches of Covid, and most of us are staying isolated. We are slowly venturing out, but very carefully. We will be having our monthly meetings on Zoom for the next few months, but we are starting to meet in small groups for bees and classes. This is a wonderful way to see our friends in a small and safe group. I must say, I really am enjoying the two bees that I belong to.

Marcia Degner will be introducing our Challenge this month. Marcia's challenges are just that—a challenge. They are a step beyond the usual "make a quilt using 3 colors". Marcia challenges us to think and be creative, while setting no boundaries. How exciting! I am really looking forward to this one.

We are announcing a fun event to keep us in touch – a Postcard Swap. Deb Shoemaker will give us all the details later in this newsletter. This is an easy little project and a wonderful way to stay in touch with another guild member.

Stay warm, stay safe, stay healthy. I'll see you at the meeting.

Sarah

## UPCOMING PROGRAM HIGHLIGHTS:

**March 8, 2022**

**"Creativity in Times of Covid"** presented by Ana Buzzalino

Covid-19 has changed our lives. We have been enveloped in a tsunami of news about the virus. We've had to self-isolate, social distance, wash our hands, etc. All that, on top of everything else that's going on in the world, has taken a toll on our creativity and motivation.

In this PowerPoint presentation, I share my views – together with some experts – on how to stay creative and motivated in times of stress. And how important it is to our well-being and mental health.

I share ideas that will help you stay connected with your own creativity and find the motivation to move forward.

Location: Zoom

Guest Fee: \$10.00

## Welcome to our new Program Chairs

A big "Thank You" to Ellen Heimlich and Frieda Toback for volunteering to co-chair this position.

If you have any ideas for a program, a teacher, or a workshop, please let these ladies know.

NEW! EXCITING! THE 2022 QUILT CHALLENGE

Clint Eastwood's famous quote as "Dirty Harry" leads us into our 2022 Challenge.

**WHAT IS IT THAT WOULD "MAKE YOUR DAY"?**

What is it that would make your spirit soar—that would "make your day!" Dream big. Think about what would be the most wonderful thing in your life that could happen... did happen...will happen...or you wish would happen. Could it be a very special family event like the birth of a grandchild? Perhaps it's a fabulous trip you long to take to Venice, seeing Machu Picchu, a safari or riding a camel to the great pyramid. Maybe it's something on your dream bucket list, a dream of having a quilt in the Houston show, winning the lottery or how about world peace?

**The Challenge: *Create a quilt that expresses the theme "Make My Day!"***

**Rules:** There are none! The quilt can be any size or shape. All quilting techniques and surface embellishments are allowed: piecing, hand or machine appliqué, embroidery, photography, painting, foiling, beading, any type of quilting. The style is up to you. A hanging sleeve is optional.

**Details:** One entry per member. There will be a \$100 prize for Viewer's Choice, and a \$50 prize by random drawing from among all participants. The same member cannot be awarded both prizes. Please submit an entry that has not been shown to the Guild before.

**Due date:** Email one overall photo and one closeup of your quilt, in JPEG format, to Deb Shoemaker at [DebShoemaker22@gmail.com](mailto:DebShoemaker22@gmail.com) by Friday, October 21.

Quilts will be shown, and winners announced, at the November meeting, either via Zoom or in person as the situation requires.

**Questions:** Email Marcia Degner at [msdegner@gmail.com](mailto:msdegner@gmail.com)

**SPECIAL SHOW 'N TELL  
IN MARCH**

The theme of the March Show 'n Tell is **"The Oldest UFO You Completed During the Pandemic"**.

Send a picture (JPEG format) of your completed UFO to Deb Shoemaker **no later than March 1, 2022** either by email: [DebShoemaker22@gmail.com](mailto:DebShoemaker22@gmail.com) or by text 954-629-1720.

A \$25 gift certificate will be awarded in a random drawing from all participating members.

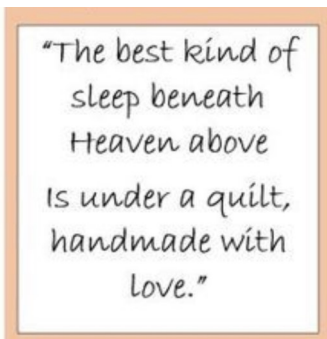

## HOT SEAT POKER

Make sure you stay until the end of the meeting to play Hot Seat Poker.

Two lucky winners receive a \$25.00 Gift Certificate from one of the quilt shops or long-armers advertising with us. Your choice!

January's lucky winners:

- Joan Wing
- Sheila Solen

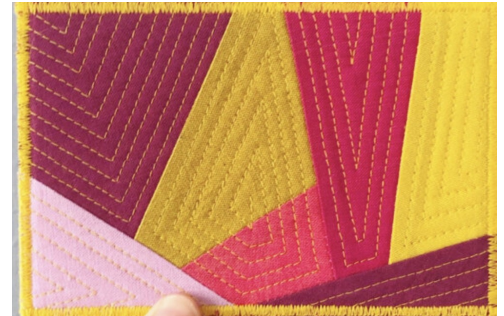

## HAPPY VALENTINE'S DAY

## NEW IN 2022

### Quilt Guild by the Sea's 2022 POSTCARD SWAP

We are announcing a fun event with a little project to help relax us. The Postcard Swap is a great way to keep in touch and share with other guild members. Anyone can participate. Here is what you must know:

- Each member is to create only one 4" x 6" postcard.
- Any technique (piecing, paper pieced, etc.) may be used to create your postcard. The postcard should be quilted but embellishments are not required. You may spend as long as you like on this project but having **FUN** is required!
- Pictures of your postcards (JPEG format) should be sent to Deb Shoemaker via text at 954-629-1720 or email [DebShoemaker22@gmail.com](mailto:DebShoemaker22@gmail.com) no later than **March 30th** to be included in the newsletter and to receive the name and recipient of your postcard.
- Go ahead, mail it!

### SUPPLIES:

- **Postcard top fabric:** Enough to make a 4.5" x 6.5" top.
- **Batting:** One 4.5" x 6.5" piece of any batting.
- **Fusible stabilizer:** One 4.5" x 6.5" piece. My two favorite stabilizers for quilted postcards are Pellon Peltex #72F and Pellon Fuse-N-Shape. These are both ultra-firm, double-sided fusible stabilizers. If you can't get either of these, any ultra-firm or heavyweight fusible stabilizer will do.
- **Postcard backing material:** You can use either light-colored fabric or cardstock to back your postcard. Cardstock is easier to write on, but fabric is easier to work with; you need a 4.5" x 6.5" piece.
- **Binding fabric (optional):** If you choose to add binding to your postcard, you will need a 2" x 24" piece of quilting cotton.
- **Thread:** I use 50wt cotton thread to piece my postcards. For finishing the edges with a satin stitch I usually 28wt or 12wt.

## 2022 POSTCARD INSTRUCTIONS (Cont'd)

### SUPPLIES (Cont'd)

- **Shipping materials:** If you send your postcard without an envelope you just need a stamp! Ask the post office to hand stamp. If you choose to use an envelope, I use a 5" x 7" padded envelopes.
- Straight pins or binding clips
- Basic quilting supplies

### INSTRUCTIONS:

#### Start you Postcard Top:

Quilted postcard tops can be made using any technique. This can be a great opportunity to try out some quilting techniques, [appliqué](#), fussy cutting, or improv piecing.

#### Baste And Quilt

Baste your postcard top and batting together, as desired. I prefer to use a walking foot but is not necessary when free-motion quilting. The walking foot will help feed everything through nice and evenly.

#### Fuse Stabilizer To Postcard

Place your fusible stabilizer between your quilted postcard top and your backing material. Follow the instructions on the stabilizer packaging and adhere all postcard parts together.

**NOTE:** I prefer to use cardstock on the back of my postcard. The Pellon 2-sided Foam fusible that I use requires a wet press with water to activate the glue. I use a very fine mist from a small spray bottle; do a test! That's it! Hope you had fun.

#### Trim

Using a rotary cutter and quilting ruler, trim your postcard down to 4" x 6". If you're using a cardstock backing for your quilted postcard remember that paper dulls blades quickly; use scissors and blades that are for paper use only.

#### Finish Your Quilted Postcard

##### Use a Zig Zag Stitch

To finish the raw edges of your card, an easy method for finishing your postcard is to use a short, wide zig zag stitch (3.5 wide x .5 long) around the edge. I use an accent thread and a walking foot unless I decide to do some free motion quilting.

## **2022 POSTCARD INSTRUCTIONS (Cont'd)**

With the cardstock side up, slowly stitch around one side of your postcard until you reach a corner. At the corner, when your needle has reached the end of your card and is in the left position, lift your presser foot up and pivot your card 90 degrees. Keep your card as close to the needle as possible while you're pivoting, to avoid any long stray threads. Continue stitching until you reach the beginning of your satin stitch, joining the two ends together. I usually stitch around the card twice.

### **Use a Binding**

Binding can be another option to finish your card! This method adds an extra "quilt" touch.

Press the 2" x 24" piece of fabric in half the long way to create quilt binding. A quilted postcard binding differs from a regular quilt binding because the two binding ends are joined together before sewing them to the card.

To do this, take two straight pins and insert them through the center of the binding 20" apart (the perimeter of your postcard), leaving about 2" extra on each side of the pins. Lay the two pinned fabric strips on top of one another, right sides together, so each pin essentially goes through the same hole as the other. With your two ends at 90-degree angles from each other, sew at a 45-degree angle, joining the two ends. Trim the excess off and press the seam open.

Sew your binding loop to the back of your card just as you would binding to a quilt. Turn your binding to the front of the card, and pin or clip in place. Finish with your preferred method. I prefer to finish mine by hand.

### **Mail Your Postcard**

Add a short message to the back of your postcard and add the address if you are planning to use traditional mail. You may also place your card into an envelope, put a stamp on the back, or take it to the post office for a hand stamp.

THE STARFISH STORY

Adapted from "The Star Thrower" by Loren Estley

A young girl and her grandmother were walking down the beach. It was a beautiful afternoon and the tide had pulled back leaving hundreds of starfish stranded on the sand. The girl began to run around, picking up the starfish and throwing them back into the water. Her grandmother laughed at her efforts and said, "Why do you run about? There are hundreds of starfish and you are wasting your time. You can't possibly make a difference here."

Her granddaughter stopped, looked carefully at the starfish in her hand and, as she threw it back into the sea, said, "Maybe I can't save all of them Grandma, but I can make a difference for this one!"
