Judy Hansen, Owner of The Quilt Shop of Deland, Lecture

The members of the Quilt Guild by the Sea would like to thank Judy Hansen for taking time out of her busy schedule to join us for our general meeting and present a wonderful program with insights on owning a quilt shop, her stories starting a business, and finally, about creating, painting, and following her fabric designs from inception to the finished bolt and the quilt.

Judy's lecture was both humorous and informative; we all thank you!

PATRIOTIC**

**QUILTS OF VALOR—It's a
Grand Old Flag**

American flags are waving over a star-filled background. They remind us 'the importance of the words "Let Freedom Ring." Larger flags are about 2 2/4"; this fabric in White, Marine Blue, Red, Navy, and Silver Metallic is from the "Let Freedom Ring" collection by Kensington Studio for Quilting Treasures.

This year, nine fabric manufacturers have created a special fabric collection, "American Valor Fabrics". They have also contributed financially to the QOV foundation (www.QOVF.org). "Under Our Wings" is a program that asks you to take a non-quilter under your wing and help that person make one quilt for a veteran. Learn more at www.QOVF.org/

Here are two more great and practical applique books. These two books offer large, clear pictures, and the patterns are uncomplicated. The books offer choices if you want to create an individualized quilt.

In addition to the applique instructions, there are settings, placements, and color choices. These patterns can be used in an old fashioned themed quilt or an extremely modern one. Both hand and machine instructions are included.

These two books have the potential to be useful for quilts, wall hangings, and home décor.

The books are signed by the author. We are very fortunate to have them in our amazing and growing library.
