## President Letter

Dear Guild Members,

Well, Fall is here, and we have had a few cooler days. Of course, cooler days here in South Florida are about 85 during the day and 75 at night. Small blessings, but a reminder of days to come. October, also, brings Halloween; so Happy Halloween, in advance. At our house Halloween is the start of holiday decorating, and let's not forget the baking of dozens of cookies, and quick breads. Enough of that. I'm already feeling tired!

I want to thank all of you who turned in Comfort Quilts, Bears, Hats, and Fidgets Quilts. You've all been keeping busy. I'm sure that all will be well received and loved for your hard work. I am thankful for such dedication by our members.

On December 14<sup>th</sup> we will have a business meeting and the "What Were You Thinking" sale. The business meeting will be short so you will have plenty of time to shop. The meeting will be held at the Boca Raton Community Center. It will be a fun time to see all our friends. We will be masked up so if you have a special fancy mask this would be a great time to wear it. We're hoping for a wonder sale and with your help it will be possible. You may also bring a friend or a guest!

We need more help from you coming up in December. Our "What Was I Thinking Sale", our one and only fund raiser for this year, will be held on Tuesday, December 14<sup>th</sup>, so members, I need you to roll up your sleeves and look through your stash. Does what you see meet the question, "what was I thinking"? If you find some wonderful items but you'll never get around to using them, please pack them up and mark them with a price, individually. All donations are welcome. Someone will love taking home some new treasures.

**MARK your calendar for October 12. The zoom meeting is at 7:00 PM.** Our speaker, Gloria Loughman is from Australia so there is a time difference. Gloria will be showing and talking about Quilted Landscapes. Remember to register and be sure to invite friends; there is a \$10.00 fee for guests and they must pay in advance.

I hope you all have a wonderful week. Stay healthy and safe. See you on Zoom.

**UPCOMING PROGRAM HIGHLIGHTS:**

**OCTOBER 12th PROGRAM:  
BROADCASTING ON ZOOM FROM AUSTRALIA**

**Gloria Loughman presents Quilted Landscapes**

"Having the opportunity to travel to many unique and fascinating parts of our continent, I am continually challenged to reproduce these images in fabric"

"Underlying all my work is a passion for color and the ongoing challenge to capture light in my work."

After completing some studies in design and color as part of a Diploma of Art in 1996, I began to make my large vivid landscape quilts depicting the Australian bush. Having the opportunity to travel to many unique and fascinating parts of our continent, I am continually challenged to reproduce these images in fabric. Most of the textiles used have been hand dyed or painted and feature extensive machine embroidery. These quilts have won many major awards in Australia, Europe, Japan and the United States. My quilt 'Kimberley Mystique' was the winner of Australia's most prestigious national quilting award in 2003.

Location: Zoom  
Guest Fee: \$10.00

**REMEMBER THE MEETING TIME CHANGE!**

**7:00 PM—9:00 PM**

**UPCOMING PROGRAM HIGHLIGHTS:**

**NOVEMBER 9, 2021**

**Tina Curran presents "My Design Process—from Concept to Quilt"**

My interest in making art quilts was jump-started by seeing my dear friend Sara take a variety of patterned fabrics, cut them into pieces and combine them in such an artistic way. As a life-long sewer (having experienced my first sewing triumph with a skating skirt I made in Girl Scouts), I took to quilting quickly. One of the great thrills with this art form is that my options are as infinite as those of a painter working on canvas -- landscapes, portraits, geometric patterns, abstract impressions, etc. I enjoy both the deep American roots of traditional quilting and the unlimited possibilities today's art quilts present. Combining elements of both extremes is great fun, as I often use contemporary fabrics in century-old quilt patterns.

My art quilts have been on display in multiple art shows and quilt shows as well as in national quilt magazines ("Quilters Newsletter" magazine and "Quiltmaker") over 20 times and in three books (including Ricky Tims' "Kool Kaleidoscopes").

Location: Zoom  
Guest Fee: \$10.00

**UPCOMING WORKSHOP HIGHLIGHTS:**

**Tina Curran presents "Whimsical Garden"**

"This quilt was the first in my "Whimsical Garden" series . It's a raw-edge appliqued collage atop a pieced background. It sold shortly after I made it, so I made a second (entitled "Another Whimsical Garden") which juried into the 2011 Road to California quilt show, won the Best Use of Color cash prize at the 2011 Glendale (CA) Quilt Guild quilt show and was featured in the April/May 2011 issue of "Quilters Newsletter" magazine. The quilt then went on a year-long national tour including stops at the International Quilt Festivals in Houston, Cincinnati and Long Beach, CA"

**Date:** November 16 & 19, 2021

**Time:** 10:00 AM—1:00 PM

Location: Zoom

Fee: Members—\$55.00, Non-Members \$65.00  
Plus \$12.00 pattern fee

Guest Fee: \$10.00

**OUR GUILD NEEDS YOU!**

I can't believe it's been over a year since we were able to meet in person. The Zoom meetings have been wonderful, but they have created a unique situation. Since we are not able to meet in person, it has made it difficult to know what is going on in the day to day operations of the Guild and where or when vacancies occur.

In November we will be electing our officers for next year, and there are still officers that are needed.

1. **We need a President Elect.** This position is relatively easy. You attend board meetings, and help the President in whatever is needed.

And become president the following year.

2. **Also needed is a Program Chair.** You are responsible for selecting speakers for the programs, and teachers for workshops. You will not be doing this totally alone. I have someone who has volunteered to be your assistant, but does not want to be the chair.

3. Another very important position currently available is a **QOV PRODUCTION PERSON.** Rochelle Staiano is the current chair and will be happy to answer any questions.

So, please, we need to fill these vacancies. If you could volunteer for any of these positions, I'll be your best friend. Or, maybe you know someone you would recommend for one of these spots.

You can contact Sarah Crew at [sfcrew41@gmail.com](mailto:sfcrew41@gmail.com) or 561-809-0244.

**VOLUNTEERS NEEDED**

Volunteers are needed for the "What was I thinking Sale" at our December Guild meeting.

If you are interested in volunteering, please contact Sheryl Platt by phone: (561—756—5179) or email: [Sherylplatt3@gmail.com](mailto:Sherylplatt3@gmail.com)

MARY TABAR ARTICLE AS REQUEST

FLASHES OF  
*Creativity*

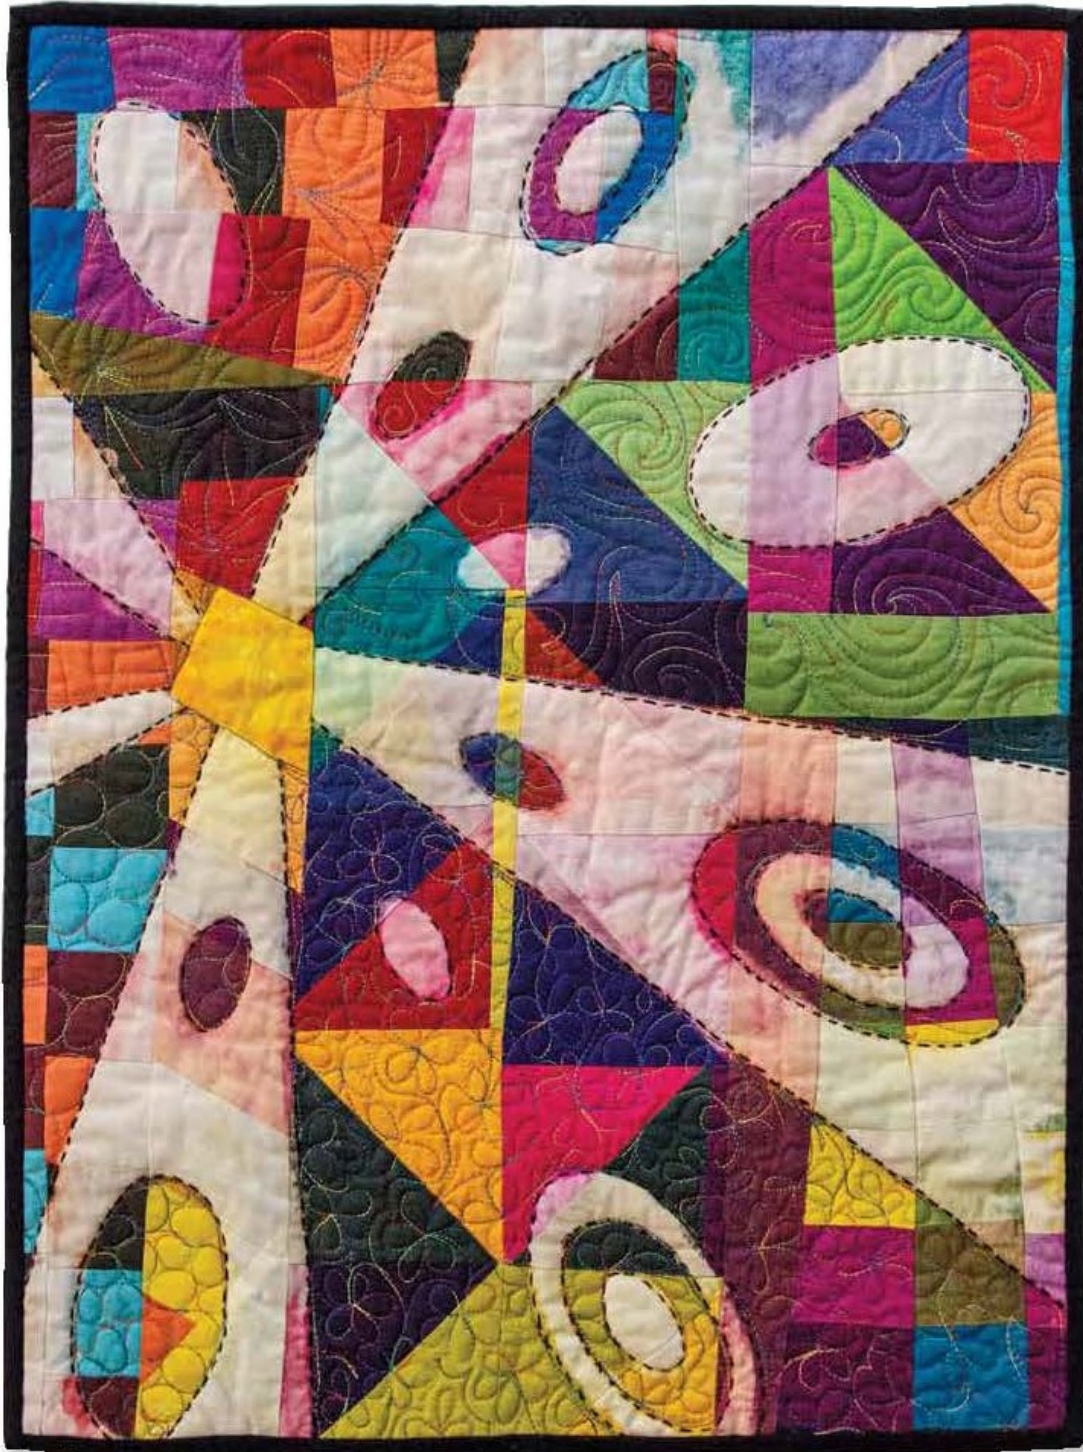

by Mary Wood Tabar

**G**rowing up in the late 1950s in Hannibal, Missouri. I always had a pencil or needle in my hand to keep me busy, and this occupation has been my inspiration my entire life. My mother taught me how to sew at an early age, and my aunt gave me scraps of velvet when I was in fifth grade. I designed and sold evening dresses for my Barbie doll, and later I earned an industrial arts degree with a minor in graphic arts from Truman University in Kirksville, Missouri. I soon got married and had two daughters. We moved many times and even lived in northern Lebanon for a year. During these moves I sewed renaissance clothing, made costumes and dresses, did alterations, and had a job constructing Madame Alexander vintage doll clothes.

I discovered art quilts 20 years ago when I went to a Quilt Visions exhibit in San Diego. What a shock to see textile art on the walls! I was so excited that I took a community education class in quilt-making. I ended up teaching that community education class at Palomar College and teaching fabric-dyeing classes at San Diego Continuing Education. I quickly realized that I needed to design my own patterns, and having an art background gave me the encouragement to make my own style of art quilts. Wanting to find a technique that was challenging, dynamic, and different than what my colleagues were doing, I started dyeing fabric with bleach, a technique called discharge dyeing. Using a medium that removes color requires the artist to think backward, which is a lot of fun. ➔

## SUPPLIES

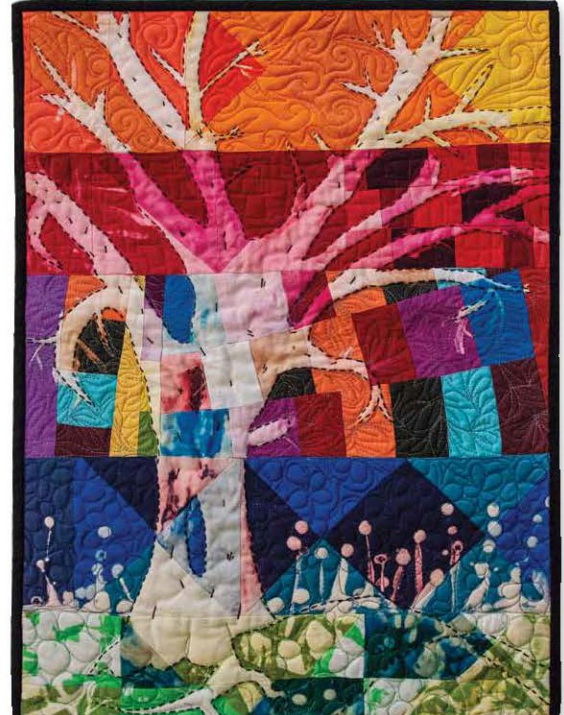

- Basic sewing supplies
- Batting: wool
- Bleach stop
- Fabric: cotton/rayon, dark
- Freezer paper
- Iron
- Sewing machine
- Soft cleanser
- Sponge brushes
- Toilet bowl cleaner w/ bleach

## TECHNIQUE

Make sure to use cotton or rayon dark-colored fabric. Remember that hand-dyed fabric bleaches out faster than commercial fabric, and painted fabric does not bleach at all. For Sun Rise, make iron-on freezer paper stencils to act as a resist so no bleach spreads into that area; the area that does not have a stencil will turn white with bleach. Discharge-dye the cotton fabric with hand made stencils. Machine-piece the fabric together, and layer it with wool batting and backing fabric. Hand-stitch and machine-quilt the piece, and finish binding it as desired.

For Jan's X-block, make two each of red, purple, green, blue, yellow, and multi-colored blocks for a total of 12 blocks. Make the top left and bottom right blocks red but bleached opposite. Make the bottom right block freezer paper stencil an "X" so the bleached area is around the shape. Make the top left stencil around the "X" so the "X" is bleached. For the third stencil, place it on the bottom left, diagonally through two other blocks, making sure the stencils are only half of the block and placed diagonally. Discharge-dye the three blocks in that manner: three blocks dyed with an "X" and six blocks dyed with the background discharged-dyed. After applying the

Eden's Garden 18" x 24"

bleach, let it set for about 20 minutes, depending on how white you want the fabric, and rinse the individual blocks. Soak them in bleach stop for 20 minutes, and wash gently. Sew the 12 blocks together.

For Eden's Garden, piece together the fabric to look like a landscape. Apply bleach as if painting the fabric. Stamp the bottom flowers onto the fabric using the eraser side of a pencil. Sandwich the finished top with wool batting and backing fabric. Quilt the whole piece, and machine- or hand-stitch black thread around the bleached areas to define them.

MARY TABAR ARTICLE (CONT'D)

## TIPS

- I use a permanent marker to write the date on the bleach bottle when I open it. Do not use bleach for your art if it is over six months old.
- I like to layer three freezer paper templates for the stencils. This makes the stencil thicker and the bleach will not seep under it.
- Try to work outside. If you have any respiratory problems, always wear a mask.
- Use wool batting, as it does not crease like cotton batting.
